Memo. No. 272(25)/Hort./MGNREGS/XXXXII-

Dated 12/02/2017

To  
The Programme Officer, MGNREGS &  
Block Development Officer,  
------(All) dev. block.

**Sub: Execution of Plantation work under MGNREGS (2017-18).**

As the rainy season is on, some categories of schemes are not easy to execute on field during this season. Now a good no. of schemes (3595 nos. approx.) under social forestry & horticulture gardening have been approved for execution during 2017-18. It is also informed that a huge no of saplings have already been raised in our district. A detailed planning for plantation programme under MGNREGS is enclosed. Hence, you are requested to collect the saplings & execute the plantation scheme on priority basis as the rainy season is starting. In this connection you are requested to note the following points.

- The detailed planning, as enclosed, has been prepared on the basis of availability of saplings at different nurseries under Forest, wbcadc throughout the district as well as the proximity of nursery from the block area.
- The attached collection programme should be adhered to as far as possible.
- The Gram Panchayat should be advised to collect the saplings from a nursery in one go. This means Gram Panchayat can't be encouraged to collect saplings from the same nursery on different dates to avoid increase of transportation cost.
- Post plantation work like watering, watching etc. upto 3-5 years must be followed as per vetted estimate and approval of plan.
- BDOs are also requested to conduct time to time inspection of the social forestry and IBS horticulture scheme.
- BDOs are requested to send the Annexure –A to the Forest Department and WBCADC, Tamluk Project during placing of plant requisition to the concerned department. Forest Department and wbcadc will check the actual demand of plants on the basis of Annexure –A report. After scrutinizing they will provide saplings. The plant requisition letter with Annexure –A to be sent- Divisional Forest Officer (ph-03228-263036 email- [dfopmfd@yahoo.co.in](mailto:dfopmfd@yahoo.co.in)) and The Officer in Charge, WBCADC, Tamluk Project ([email-wbcadc@gmail.com](mailto:email-wbcadc@gmail.com)) and copy to the undersigned.

This is for information & taking necessary action.

Encl.as stated

  
District Nodal Officer, MGNREGS  
Purba Medinipur

Dated 12/02/2017

Memo No. 272(25)(10)/Hort./MGNREGS/XXXXII/
